## The 6<sup>th</sup> PROMIS International Conference *Toward Patient Centered Care: PROMIS Implementations and Advances* October 25-27, 2020

### Program Co-Chairs:

Felix Fischer, PhD, Charité University of Medicine, Berlin

Michelle Langer, PhD, Northwestern University, Chicago

**We won't be in Prague, but the virtual conference offers unique opportunities across three days for participation across time zones.**

Registration includes sessions, access to post-conference recordings, 2021 PHO membership, and certificate of attendance.

### Join Us to Learn, Share and Connect. No Travel Required.

- Plenary sessions - Hear from leading PRO experts about clinical implementation, methodology, and value-based care
- Oral and poster presentations
- Learn how colleagues are using PROMIS and find collaborators for your next project
- Sign up for a Round Table to network and discuss hot topics in PROMIS use
- Network with 20 leading PRO experts in Meet the Expert sessions
- Visit EMR/HIT demonstrations of PROMIS software tools for Q&A and discussion
- Participate in the virtual Social Event
